

Renta Racer

Stock Hatch Racer Driving Experience

Get behind the wheel of an actual race car. These fully race prepared Fiesta XR2s normally race in the 750 Motor Club's popular Stock Hatch Championship.

Learn new and exciting driving skills under the guidance of our race winning instructors.

Typical session would be:

- Welcome Introduction & briefing on circuit driving techniques
- Demonstration laps by instructor to learn the circuit.
- First drive of race car 5 laps
- Second faster driving session 5 laps
- White knuckle high speed passenger ride
- Presentation of individual Experience Certificate inc. driver assessment.

When can you drive?

The experience takes place on selected weekdays & weekends throughout the year.

When do I drive?

This Experience is usually held at Bruntingthorpe Test & Proving Ground nr Leicester.

How long will the Experience take?

You should allow 3-4hours at the venue

Are there any restrictions?

The driver must hold a full driving license and be legal to drive on the UK roads. Due to the type of car, the driver should be between 51-0" – 6'-3" and weight below 18 stone.

What if the weather is bad?

This experience is dependant on suitable conditions, so in the event of torrential down pour, snow or ice, the Experience will have to be re-scheduled.

How much?

£97
