

Renta Racer

Ultimate Race Car Driving Experience

You will definitely have fun with this! It might not be the fastest top speed of the cars available, but it does make up for it in acceleration and cornering. You will be strapped in to the race seat before blasting around our test track with the wind in your hair for the experience of a lifetime! Your copilot will be one of our race winning instructors to advise you on how far you can push this race winning car.

Typical session would be:

- Welcome Introduction & safety briefing
- Demonstration laps by instructor to learn the circuit.
- First drive of race car 5 laps
- Second faster driving session 5 laps
- White knuckle high speed passenger ride
- Presentation of individual Experience Certificate inc. driver assessment.

When can you drive?

The experience takes place on selected weekdays & weekends throughout the year.

When do I drive?

This Experience is usually held at Bruntingthorpe Test & Proving Ground nr Leicester.

How long will the Experience take?

You should allow 3-4 hours at the venue

Are there any restrictions?

The driver must hold a full driving license and be legal to drive on the UK roads. Due to the type of car, the driver should be between 51-0" – 6'-3" and weight below 18 stone.

What if the weather is bad?

This experience is dependant on suitable conditions, so in the event of torrential down pour, snow or ice, the Experience will have to be re-scheduled.

How much?

£145
